JB declared an interest in all matters concerning All Saints' Church (as he is a Churchwarden). Brian Day declared he is the Treasurer for the Bowls Club and married to Vivien Day who hosts the Crafting Group. JG and EWJ declared their involvement with Wittering Events.
26(06)39	Public Forum A representative from the Girl Guides asked re. agreement between the Girl Guides and WPC for the use of the container. LP to liaise with her now she has contact details. Funding Requests: The funding request submitted by the Junior/Senior football club for the levelling of the pitch at the far end of the playing field - £1,000-£1,500 with £500 being provided by the club towards the cost. BD advised he had not been able to make contact with the club prior to the meeting and would make contact a representative of the club to ascertain whether WPC is to obtain the services of the Grounds man or whether volunteers from the club are going to carry out the work. For either approach a risk

assessment will need to be provided. **RD** to advise on wording once decision is made as to how works will be carried out.

The funding was agreed in principle pending the outcome of discussions. Proposed by EWJ, seconded by JB and agreed by other councillors.

Funding request by St George's Food Hub - £5,500 for initial 6-months. Unfortunately, a request for a more detailed breakdown of the funding request was not provided. A general discussion took place about other possible means of funding for the Food Hub. **JG** to speak with **GE** to ascertain whether local or PCC are responsible for funding and to check with **GE** whether funding is available from Community Funds. It was estimated 200 Wittering residents could benefit from this service with Wittering to be the first village to provide this service.

EWJ asked whether the kitchen, once refurbished, could be used for the Hub to prepare and distribute food **BD** suggested it could be part of a Winter warm space provision.

Jean Jackson advised they wanted the service to start July/August. **RD** advised **WPC** would need to have copies of insurance, food hygiene certificate, risk assessment, etc.

Concerns were raised regarding sustainability and expectation of the Hub's customers after the initial 6 months. EWJ stated representatives from the Food Hub need to be present at the July **WPC** meeting if they wish their request to be taken further.

New bus service – Julia Cunnington Jinks confirmed Centrebus is carrying out a leaflet drop to all local villages advertising the service.

An email received by the Clerk from a Wittering resident raising concerns about the siting of a bus stop on Church Road, just after the Brock Close turning has meant the bus stop has been removed. A full risk assessment/survey needs to be carried out by CPCA and Cambs Council and the stop to be added to the NATPLAN database. Unfortunately, there is a resource shortage meaning a delay in carrying this forward.

Jean Jackson also asked if it would be possible for a bench to be fixed inside the bus shelter on Church Road. **RD** to approach PCC to see if we can get an integrated bench fitted inside the shelter.

Increase in school numbers from September 2027. The school is currently only at 65% of capacity with the 40 SEN students this will increase capacity to around 98%. Concerns have been raised in the Parish regarding the high increase in traffic on Church Road. **WPC** had not been officially advised prior to the notice going out on face book. **GE** was one of the consultees for this initiative. Other points raised:

Would there be additional on-site parking for taxis.

The reduced capacity to take additional pupils through normal intake may have an impact on the decision for the proposed development of west Wittering.

Concerns regarding further traffic pressure along Church Road should the plans go ahead for the new build.
